**Tuesday, April 30, 2019
10:00 am – 12:00 pm
Montachusett Regional Planning Commission
464 Abbott Avenue
Leominster, MA**

Hosted by the Montachusett Regional Planning Commission

AGENDA

Coffee and pastries will be provided.

1. Welcome and Introductions (10:00 a.m.)
2. Introduction to Historic Preservation Planning
Chris Skelly, Director of Local Government Programs, MHC (10:10)

This workshop provides an overview of the basic steps of community-wide historic preservation planning including identifying, evaluating and protecting historic resources. New local historical commission members will find the program especially useful although all local historical commission members are encouraged to attend as well as anyone interested understanding the basic techniques for protecting historic resources in their community.
