

TOWN OF TOWNSEND
CONSERVATION COMMISSION
272 MAIN ST.
TOWNSEND, MASSACHUSETTS 01469

Rec'd Townsend Town Clerk
19 OCT '22 PM3:06

LEGAL NOTICE

Pursuant to the Massachusetts Wetlands Protection Act and the Townsend Wetlands Bylaw, the Townsend Conservation Commission will hold a public hearing on Wednesday, November 9th, 2022 at approximately 7:10 pm. The hearing will be held virtually via Zoom meeting and in person at Town Hall, on a Notice of Intent (NOI) filed with the Conservation Commission by the Townsend Water Department on behalf of Tighe & Bond. The project will take place along portions of the roadway rights-of-way (ROWs) of Harbor Trace Road, South Street, South Harbor Road, Ash Street, South Row Road, and Emery Road.

The proposed project is for the development of a PFAS Water Treatment Plant off of Harbor Trace Road and associated waterlines along the above-referenced roads. The project consists of several independent components: the construction of a new PFAS water treatment facility, a raw water transmission main, and a water main extension. Part of the construction will take place within Bordering Land Subject to Flooding, Riverfront Areas, and 100 feet of Bordering Vegetated Wetlands.

Parties wishing to speak in support of, or in opposition to, this application may do so at the hearing or in writing prior to the hearing. Copies of this application are available for review at Town Hall during business hours.
