MASS Citizens' Climate Forum

Join us to
celebrate recent
climate-related laws and to
discuss how and when we will see
their positive impacts on communities,
organizations, and people in the region.

Learn how we can create a healthier future by working
together to use these resources, share ideas that work
and advocate together for good projects and policies that
affect our communities.

Featuring panelists: Rep. Lori Trahan, 3rd Congressional District,
Jen Benson, President of the Alliance for Business Leadership,
& Judy Chang, Undersecretary of Energy for MA.

Actively engage in the implementation of new climate policies such as:

**The Inflation Reduction Act
The Build Back Better Act
& Act Driving Clean Energy and Offshore Wind**

**Citizens' Climate Lobby
Citizens' Climate Education**

**FITCHBURG STATE
UNIVERSITY**

**NewVue
COMMUNITIES**

**THE ALLIANCE
FOR BUSINESS LEADERSHIP**

**North Central
Climate Change
Coalition (NC4)**
