Child #3, etc...

NUMBER DAYS PER WEEK/ CHILD #1 + NUMBER DAYS PER WEEK CHILD #2 + etc... _____ = _____ TOTAL DAYS

Scenario 4

NUMBER OF DAYS CHILD #1 FOR ENTIRE SUMMER: _____

NUMBER OF DAYS CHILD #2 FOR ENTIRE SUMMER: _____

Child #3, etc...

NUMBER DAYS SUMMER/ CHILD #1 + NUMBER DAYS SUMMER CHILD #2 + etc... _____ = _____ TOTAL DAYS

ALL SCENARIO CALCULATION:

TOTAL DAYS _____ / 5 = _____ NUMBER OF PASSES REQUIRED

5 Day Pass RULES for consideration in calculating Passes needed.

- Individual days can ONLY be purchased during the first week of AUGUST (7/31-8/4/23) for use during the second week of AUGUST (8/7-8/11/23) of REC.
- Individual Days are not available for purchase or use at any other time.

5 DAY PASS CALCULATOR

- **If your total days are not evenly divisible by 5** and extra days are not for the final week of REC, you can either round up- extra days can be used or given away (ask for details) OR round down and adjust schedule as needed to use less days.
- Passes can be purchased throughout the Summer! You do not need to purchase all at once, allowing for greater flexibility.
- Siblings CAN share Passes.
