From the Desk of the Director –

There’s a light at the end of the tunnel! At least we certainly hope there is. I’m choosing to believe it is sunshine and daffodils instead of a train.

As we have all seen all too clearly this past year, there are many uncertainties in life and just when you think you’ve overcome one hurdle, another one generally pops up in its place. Another thing I’ve noticed this past year is how we have all looked those obstacles in the eye and said, “not this time!” I’m so proud of how you have pulled through this!

Keep on keeping on, hang in there, fight the good fight, and persevere. It’s not going to go away in the blink of an eye, but I feel it’s time for us to climb out of this COVID crap and emerge better than ever!

Spring is a time of rebirth. Take some time to lift your face to the sunshine. Listen to the birds and peepers. Smile. Think about all the people you will be catching up with, the trips you’ll be taking, the hugs you will be giving and receiving.

Join us for some lighthearted entertainment, virtual programs, and meals. Feel free to call us with any questions you might have about services, upcoming events, and vaccine information.

In the meantime, never forget that whoever you are, wherever you are, whatever you need you can count on us to be here for YOU!
