Re: Public Records Request

Dear Kathleen,

This is a request under the Massachusetts Public Records Law (M. G. L. Chapter 66, Section 10) for a copy of the most current (as of 9/21/2017) **Voter Extract list (Voter Registration List)** for and the most current **Resident Extract ("Street List/Book")** for Townsend, MA.

Thank you for your consideration and hope the request is not too much of a burden. I have provided my contact information below. For sake of simplicity, I am requesting an email/digital copy of the record in question, but please contact me with any questions, if there's a way I can assist in fulfilling this request, or if there's any further information that your office requires.

Best,
Mark Jensen
