Hi Kathy,

Just making sure you got this request. The formatting got a bit wonky when I sent it for some reason.

Also, can you let me know the total number of registered voters as of the last town election, so we know the actual target number for the recall? I assume there will be absentee ballots. Can you please let me know when those will be available (even a rough estimate) as we have many people asking that question.

Thanks!

Kelly
