Mr. Shank,

Attached please find a letter that is responsive to your request below.

In the attached letter please note that the third paragraph has been redacted per

Exemption (f) - The Investigatory Exemption

Exemption (f), the investigatory exemption, provides custodians a basis for withholding:
*investigatory materials necessarily compiled out of the public view by law enforcement or other
investigatory officials the disclosure of which materials would probably so prejudice
the possibility of effective law enforcement that such disclosure would not be in the public interest.*

Please do not hesitate to reach out if there is any additional information with which I can be of assistance.

2. The correspondence referenced back and forth in regard to DCJIS continuing the investigation due to more information beingt submitted as stated in meeting.

I recognize that you may charge reasonable costs for copies, as well as for personnel time needed to comply with this request. I will gladly accept electronic versions or copies instead of paper if that is less labor intensive for staff to process.

If you expect costs to exceed \$10.00 each, please provide a detailed fee estimate before proceeding.

The Public Records Law requires you to provide me with a written response within 10 calendar days. If you cannot comply with my request, you are statutorily required to provide an explanation in writing.
